Dear Sir,

On behalf of **SHREE SOAPS & HOME CARE INDUSTRIES** project team we would like to thank you and your team for excellent and professional support during expansion of our existing facility (tenure October 2018 – September 2019), during the engineering phases and during construction. As Shree Soaps & Home Care Industries we are very proud on our refurbished new facility, not only from the outside, but also from the inside - The World – Class Plants, that can exceed the challenge with our competitors. On both inside and outside your design “signatures” are clearly visible.

Teamwork is people: We are extremely impressed with the valuable support by Mr. Manish Saxena (project controller) and Ms. Malika Saxena (Architect), Prasanna Shoorjoshi (Mechanical Head) & Padmanabh Desai (Structural Engg.) during implementation of this project.

Professionalism: Compared to other consultant we rate the input for Civil, Mechanical, Structural & Architectural as outstanding.

Scope of work for project: Engineering Civil, Mechanical, Structural & Architectural.

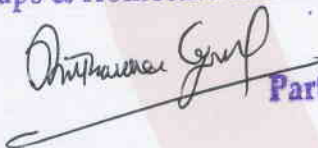

Location: SHREE SOAPS & HOME CARE INDUSTRIES, DAPADA

Again, Congratulations with these achievements to be part of the team
